## ProStar General Purpose Grinding Wheels

Type 27 Depressed Center Wheels  
Grade A24R Long Life

- Made with premium aluminum oxide grain for consistently high stock removal for tough applications.
- For general purpose grinding on all carbon steel applications. This includes all ferrous metal applications like iron, steel and welds.
- The ProStar 1/4" grinding wheels are ALL full-grain wheels with no back-filling.

ProStar grinding wheels are available in the following sizes:  
Sold individually or by the box.

Part Number:	Size:	Box Qty:
PRS51000	4-1/2" x 1/4" x 7/8"	25
PRS51001	4-1/2" x 1/4" x 5/8-11 (threaded hub)	10
PRS51002	5" x 1/4" x 7/8"	25
PRS51003	7" x 1/4" x 7/8"	25
PRS51004	7" x 1/4" x 5/8-11 (threaded hub)	10

# ProStar General Purpose Cutting Wheels

Type 1 Thin High Speed Cut-off Wheels  
Grade A60S Extremely Fast Cutting

- Made with premium aluminum oxide grain. Thin .045" width.
- For general purpose cutting on all carbon steel applications including all ferrous metal applications like iron, steel, rebar, smaller angle iron or metal studding.
- The ProStar .045" thin cutting wheels combine fast cutting with long life. The finer 60-grit grain combined with the harder "S" bond provides an exceptionally dense wheel. Make cut after cut without breaking or chipping the edge of the wheel.
- For use on right angle grinders, use with reusable 5/8-11 adaptor. (per ANSI b7.1) (part number: UNI95055).

## ProStar .045" thin cutting wheels are available in the following sizes:

Sold individually or by the box.

Part Number:	Size:	Box Qty:
PRS51005	4-1/2" x .045" x 7/8"	50
PRS51006	5" x .045" x 7/8"	50
PRS51007	6" x .045" x 7/8"	50

# ProStar General Purpose Chop Saw Wheel

Type 1 Burr-free finish

- Made with premium aluminum oxide grain. Externally reinforced with the highest quality fiberglass to withstand the toughest applications.
- For general purpose cutting on all carbon steel applications. This includes all ferrous metal applications like iron, steel, rebar, smaller angle iron or metal studding.
- Always be sure that the chop saw blade is used on a portable chop saw. Not for use on a high-torque, high-horsepower stationary saw.

## ProStar chop saw wheel is sold individually or by the box:

Part Number:	Size:	Box Qty:
PRS51008	14" x 3/32" x 1"	10
