Praxair Named One of America's Best Employers by Forbes for the Fourth Straight Year

DANBURY, Conn., May 15, 2018 – Praxair, Inc. (NYSE:PX) has been named one of the 500 best U.S. companies to work for by Forbes in 2018. The company has been recognized as an employer of choice since the list was first published in 2015.

“We are proud to again be recognized as one of the best employers in the U.S. by Forbes,” said David Strauss, vice president and chief human resources officer for Praxair. “This recognition demonstrates our commitment to a culture of respect and inclusion where our employees drive for success as determined by our customers, shareholders and the communities in which we operate.”

During the selection process, nearly 30,000 employees at companies with at least 1,000 people in their U.S. operations were asked to rate their own employer and their likelihood of recommending their employer to a friend or family member. They were also asked to recommend other companies they admired.
